

TRANSMITTAL SLIP		DATE 18 FEB 1982
TO: ADDO		
ROOM NO.	BUILDING	
REMARKS: Claire,  You sent us a note wondering why FBIS was inadvertently distributing sensitive information. As best I can tell, we are not. There is a suggestion in the attached memo that maybe we should tighten up even further than we already have. If that makes sense to you, we would be happy to do so.  JT
